

Puja Khalika Buana

Final Year Student

Profile

Hello, I'm Puja Khalika Buana and you can call me as Puja. I'm a final year Bachelor's Student with no any experienced. My skill is focus on Frontend Development and Web Design e.g. making website with Frontend Stack (HTML, CSS, Javascript) and use some UI/UX Tools and Javascript Frameworks like Vue.js, Bootstrap, TailwindCSS, SASS, Typescript, Figma, AdobeXD etc or protoyping but i'm higly interested about some other technology instead Frontend Development Stack like Backend, DevOps, Game Development, Management Project etc.
